Even before the exiled to Babylon they were already corrupted that's the reason why they went into captivity in the first place, good video 👌

For many weeks now, I have been scanning for channels with contents about Jews or Jewry...each revelation of them including this is just ...beyond horrible ...pure evil. Only vampires suck blood...and vampires love baby'sblood because to them it is the sweetest odor.

How anyone could defend this is beyond me. Sick twisted vile, and so much wool pulled over people's eyes. Thanks for exposing the darkness, I hope the light of Christ shines on many.

The only time I have ever heard God speak audibly. He said, (Satan you have no authority here. This one is protected by the blood of Jesus Christ.) The one protected by the blood of Jesus Christ is me. All glory honor and power be to Jesus Christ throughout all ages.
